

# **Canadian Tire Coupon Policy**

There is no corporate policy surrounding the acceptance or the use of manufacturer's coupons.

Canadian Tire stores are individually owned and operated. Should a manufacturer's coupon be presented at the time of purchase, it is up to the discretion of the store to accept the coupon.

Canadian Tire Corporation can not mandate a store to accept a coupon -- it is a store decision, not a Corporation direction.

We sincerely apologize for any inconvenience this may cause and we thank you for providing us with the opportunity to respond.
